[Replikatoren:] „Ich hätt' mir ja längst 'n Makro geschrieben.“ Heißer Tee, amerikanisches Recht, wenn man nicht weiß, dass der Tee heiß ist. ([Eine Tasse Tee ==] Strombedarf von drei Tagen! [...und das nur für den Tee, nicht die Tasse!])  
Voller Impuls:  $\frac{1}{4}c$

<sup>1</sup> [https://secure.wikimedia.org/wikipedia/de/wiki/Antiproton\\_Decelerator](https://secure.wikimedia.org/wikipedia/de/wiki/Antiproton_Decelerator)

<sup>2</sup> That might explain Avery's panel! ;-)

blah blah, hit by a truck!" [Sir Patrick: Good way to go!]

16.) Only female Captain: Greatest Privilege! Invited by Hillary Clinton to the White House at the end of season 1 [to speak about women in science in front of women in science].

17.) "...get me a bucket of **BOOZE!**" (on the plane)

18.) Mrs. Columbo

19.) What was the real reason Harry didn't get promoted? "Put it on my tomb stone!"

20.) Warehouse 13: Four Episodes. Wonderful group of actors. Feeling of being at home...

21.) Liked to play the murderer on "Murder, She Wrote".

22.) "Germans are so in[???]tly polite!" In bed with Gene Hackman<sup>3</sup>: So funny!

23.) Remembering seven years of Voyager: Robert Picardos face first thing in the morning. Friendships. Men: Prehistoric.

24.) "I love gifts!" (Chanel No. 19)

25.) Harry Kim steals Janeway's perfume! (Maybe he needs it, maybe he's stinky!)

26.) "Kindness makes me happy."

27.) "No promotion this weekend!" (see 25.) "Typical, he loves Chanel No. 19." "Captain, may I borrow a little bit of your perfume today?"

28.) Hug her!? (The Sister!)

29.) Kate: "It takes a lot of courage to hug someone... like me!" ;-)

30.) "I get tired about that thing between the sexes... well, not *that*, who gets tired of *that*?"

31.) Always fun to be evil, but better to be good.

32.) "It's a disease: I can't pass by a book shop!" War & Peace. Dostojewsky, Proust.

 33.) "Can I ride a horse?" Broke her back falling off a horse when she was in her 20s. Sneaking into a barn with her boyfriend, gallop, spooked by a motor cycle, broke three lumbar vertebrae. (Wie auch immer man das schreibt!)<sup>4</sup>

 34.) "That's not a nerd question, it's an impossible question!" - "Is that the right English word? Oh my god!" - "Janeway? Assimilated? Piece of trash!"

35.) Fan: "I am very happy to be here with you!"

36.) Was clueless about Star Trek.

37.) In an French accent: "Zeven years of zis? I'm leavink!"

38.) "Ensign Kim, are you back there stealing something else of me?"

39.) NTSF preview.

## Daniel Stewart

40.) "Vodka? No, it's water!" (He's just as bald as his father!)

41.) 1976: Year of the Sheep. 1 year, 1 month older than Harry Kim.

<sup>3</sup> So, what movie would that have been?

<sup>4</sup> Erstaunlicher Weise habe ich es im Protokoll sogar richtig geschrieben! ;-)

- 42.) Not encouraged by his father to go into acting. ["He said: Prove it!" After three years of acting school he said OK and was supportive from then on.]
- 43.) Impersonation of Sir Patrick. Fake autographs, [sold] more than his own. Pretends to sign an [excuse note] for school. Incredibly rude to people on Sir Patrick's behalf.
- 44.) Hasselhoff was at collage with him. "DAS HOFF!" (Harry Kim)
- 45.) Riots, earth quakes, floods, burned down. Not very safe in L.A., fled to London.
- 46.) A little Sir Patric Stewart Story: Lived in a rented place in Westwood. [Do you remember] *Twister*, [when the] giant twister [came, they] fled into a shed full of spiky things. Patrick lived in a place like that. Kitchen table like a knife. [That's] where he lived during the Northridge Quake<sup>5</sup>. [Three things he did after that: Found himself lying on the floor, then heard someone scream, then realized it was him who was screaming.]  
"Screaming like a little child. That's your brave captain, right there! Ask him: 'Sir Patric, is it true that you screamed like a little girl during the Northridge Quake?'" [Biggest earth quakes in Germany are like 4 point something, and that's nothing compared to L.A.]
- 47.) Daniel married an American, 14 years in America.
- 48.) Sir Patrick in the car. Both football fans. He [Sir Patrick] supports a bad team, his son supports a good team. Sir P. had selected music for the car [when going to a game] ON TAPE! It was a tape of him [Sir Patrick] singing *Camelot* [two hours long]. At the end he [Daniel] was screaming like his father!
- 49.) Episode on Next Gen (talk about it!): "Why else am I here, except to embarrass my father?"
- 50.) "Sexy silk pyjamas!" (on *The Inner Light*.)
- 51.) [They] cut the scene [where] he was playing the flute. "If you gave him the whistle he wouldn't know where to put it!" [although he always says he could play it! David actually learned how to play, had an instructor on set.]
- 52.) Harry tells the clarinet story [from FedCon XY]. [David said, Garret should have said:] "Oh, it's a German clarinet! I only play American!"
- 53.) Clarinet-Shirt story. Robbie without shirt → "DAS HOFF!"
- 54.) Should have kept the whistle: 44.000£ at Christies. [There is someone in the audience who builds replicas of that whistle.]
- 55.) Friends with the crew. Sister liked Wesley. [He thought he was just a kid.]
- 56.) Entertainment Tonight filmed him filming. Terrifying!
- 57.) Patrick asked for his lines: "Come on! COME ON!!!" [During a play where he (Daniel) wasn't supposed to say anything.]
- 58.) Fan: "What does he [Sir Patrick] sing in the shower? What kind of pyjamas does he wear?" He sings Beatles, show tunes. "He wears onesies with feet attached and a little flap and it has teddy bears on it!"
- 59.) Another job? A very bad footballer. Remote control operator.
- 60.) Kate & Patrick improv: "[I thought we were] going to meet later tonight?!"

---

5 [https://secure.wikimedia.org/wikipedia/en/wiki/1994\\_Northridge\\_earthquake](https://secure.wikimedia.org/wikipedia/en/wiki/1994_Northridge_earthquake)

61.) Fan: [You would make a] good Dr. Who.

62.)

63.) Fake autograph of Sir Patrick Stewart by his son Daniel.

64.)

65.) Sound check! Harry cries when he hears the DS9 theme.

### Avery Brooks

66.) Bei Avery weiß man nie so genau, was man eigentlich aufschreiben soll! ;-)

67.)

68.) [A Fan asks about his passions in life.] Avery's looking for his passion on the stage floor, behind the FoP symbol.

69.) Colm Meany: Laughing with him until he fell to the floor. "I can do that! Maybe that's where my passion lies!"

70.) "YEAH!" (Feelings about B.O. becoming president.)

71.) "Desiree! That's desire with two E."

72.)

73.) No simple "yes"s or "no"s.

74.) "That's not exactly what you asked me, but close enough!"

75.) "They didn't want the audience to (be) confused... (between) me and Jean-Luc Picard."

76.) "Yes to gumball, yes to gamble, yes to cooking!"

77.) Sing! Sing! Sing!

78.) Avery: "Help me!" - Someone: "Volare!" - Someone else: "Next year!"  
'Someone' is talking much too loudly. ('Someone' == Technik) And there is no one on the balcony to kick him in the arse!

79.) Garrett presents new shirt, changed again: "Professor (X) Parking only!"

80.) Garrett: "Put your hands together for Mister Patrick Stewart... SIR Patrick Stewart!"

**Patrick Stewart:**

- 81.) “[I am] thankful you applauded so long because ... I had a mouth full of peanuts! I need to sit down, not as young as Avery & Kate... juveniles!”
- 82.) “‘Only’ two performances a week.”
- 83.) “No social network sites what so ever!” “...about that cereal they had for breakfast!”
- 84.) Irgendwo spult ein Film zurück. Sowas gibts noch? ;-)
- 85.) *Waiting for Godot*, Fan: “What is it about?” - [Sir Patrick: Makes a face. Fan: “Sorry, I didn't see it!”] “You just asked the question that every theatre goer who's seen WfG has asked!” Die dritte Aufführung [die es je gab - oder war die Dritte Ausgabe gemeint?] war in Deutschland. Sammelt [Bücher von Theaterstücken].
- 86.) “How many here didn't see *Galaxy Quest*? SHAME ON YOU!” Frakes told him to see it. His wife and him getting increasingly hysterical [during the movie]. Film is brilliant. Known Alan Rickman for decades. [Once on] Stage 16 == Planet Hell [after a long day of shooting with Micheal Dorn]: “Micheal! I was twenty-five years with the Royal Shakespeare Company! How did I come to be here!?”
- 87.) Drinks a Coke.
- 88.) [After auditioning for TNG:] Called again... again his children made jokes pointy ears.
- 89.) “Six years? I have too much to do!” [They all said:] “This series is doomed to fail, you'll never see six years...”
- 90.) “Hello, my name is Merlin?” (Fan on Mic.)  
Gene didn't want political issues.
- 91.) [About ST:] “...very talented and intelligent actors, and Garret Wang, too.”
- 92.) *First Class*: James [McAvoy] supposedly said he's better than Patrick Stewart.
- 93.) Would like to do another X. “FOR VARIOUS REASONS!” (Pretends to kiss all of the female actors!)
- 94.) Neue Cola!
- 95.) [Remembering TNG:]  
- Laughing! Seven years of laughing!  
- Doubled over in the captain's chair.  
- Funny people.  
- Indecent amount of good fun.  
- Asking for one minute to take it seriously.
- 96.) Out of the turbo lift, huge grin on face: Japanese-American actor (Admiral<sup>6</sup>) [did an] imitation of John Wayne.
- 97.) Teasing... some of it extreme when directing the cast, they put him through hell, he was out of his comfort zone, they were in theirs.
- 98.) End of day, publicly betting in front of Michael Dorn how long it would take him [to finish] the last shot of the day, all out of their space suits, he still in the turtle head. “No, it never was him, it was his assistant...” [At the end

they had to change the line.]

- 99.) "You have two favourite actors, Alan Rickman and me? You have a very exotic taste!"
- 100.) "Dieing is easy, comedy is hard!"
- 101.) Shakespeare: "All the world's stage..."<sup>7</sup>
- 102.) Spectacles on nose. \*points at spectacles on nose\*
- 103.) [Request from a young fan:] "Sing the ABC-Song!"<sup>8</sup> - "No way I am going to sing after Avery Brooks!" [Actually he didn't sing, because he had a bad throat that day.]
- 104.) "Make it so" came from Gene's military career. The gesture was Sir Patrick's.
- 105.) Garrett comes in and shows his T-Shirt to him. (Professor Parking.) [He actually is a professor, so his full title would be] "Professor Sir Patrick Stewart".
- 106.) Saw the pilot [of Voyager, told Garrett] "excellent work". Garrett: "I was frightened by you!"
- 107.) Three Captains Photo Opp: Limited to 200 Tickets, 150,- each.
- 108.)

## 11. September 2011

- 0.)
- 1.) Avery bringt ein Kind mit auf die Bühne. Der TriKorder hat drei Töne! :-)
- 2.) Being a Klingon: Not happy about that. [Someone called him and told him:] "You've got a dental appointment! - No, I don't! [Why do I have a dental appointment?]"
- 3.) Hair: Contract. [Same story as yesterday.]
- 4.) About Jake Sisko: Like his son.
- 5.) Another [fan] on the stage.

[Avery] leaves the stage. "Er hat auf besondere Art & Weise geantwortet." Benedikt aus Bayern.

- 6.) "He said: I understood what you were talking about yesterday. I said: Who?" (Like he didn't know himself.) :D "Bring me more children, please!"
- 7.) "Here is the package, baby!"
- 8.) "Where are the flying cars?" IBM commercial.<sup>9</sup> [The phrase] "slow your roll" [was] too contemporary for ST. "On Spenser I made it all up; if they didn't like it, they would cut it."
- 9.) More difficult: Teaching or performing? No substitute for being here.<sup>10</sup>
- 10.) Benedikt back on stage.
- 11.) (Different question:) Knew ST, but not a devoted fan. Outside, Indiana, playing baseball.
- 12.) Benedikt asks the question of life, [the universe,] and everything else. :-)  
"It's your [the youths] world now! You explain what the world is. It's your job, not mine, I'm done."
- 13.) Did like the character of Hawk. Contemporary mythological brown hero.  
"It's legen<sup>11</sup>dary!" Most powerful: Human imagination!
- 14.) "Don't make me ask him!" (About his kids being grown now and not having to ask him all the time [and not having to put up with his lengthy answers any more].) ["Dad, can I cross the street? - Why Do you want to cross the street?"] "Short questions, long answers!"
- 15.) "[There was] no competition between the series<sup>12</sup>."
- 16.) DS9 on stage 18. Wanted to go across the lot to meet Steven Hawking, was denied access.
- 17.) Sings: *Without song*.
- 18.) Fan: "Did you do a good job on teaching your children to be independent thinkers?" - "It's a work in progress."
- 19.) During the autograph session, Avery to Garrett: "You just called me

9 <http://www.youtube.com/watch?v=vzm6pvHPSGo>

10 Could we please get a fraking answer!

11 - wait for it -

12 Plural. Das Wort „serieses“ scheint es wohl doch nicht zu geben! ;-)

Patrick!"

20.) Garrett's T-Shirt: "Oh My!" (Sulu) <http://www.cosmic-city.com/>

### **Patrick Stewart**

- 21.) Sir Patrick and Garrett were the only actors from ST to be in *The 50 Most Beautiful People* issue of *People Magazine*.
- 22.) 1940 was the year of the dragon. The best sign to be! The most potential of all the signs for greatness!
- 23.) Background in Theatre → Good for his career in Fantasy and SciFi? [Maybe.]
- 24.) Originally there should have been four Dune movies. (On for each book.) [But it was a big flop. Later got a kind of cult status.] Filmed in Mexico. Excalibur and Dune were exceptional pieces of cinema for their time.
- 25.) "Brent who? Data? Who?" - "I don't do impersonations. [Except Riker:] RED ALERT!" Data-impersonation on the set (but not on stage). [The fans are always telling him:] "You are so great, but of course I love Data!"
- 26.) Brent came back from a convention, [where he] went into the dealers room, action figures: "Buy one Data, get TWO Riker free! We laughed all morning! In the middle of a scene Worf [would say]: 'Buy one Data...'"
- 27.) Favourite of all the movies: *First Contact*.
- 28.) [Sir Patrick:] "And your name again?" Garrett: "Jacky Chan!"
- 29.) "What happened to my water and coke?" Garrett humbly presents it.
- 30.) "...nice evening out in Düsseldorf, and drank Altbier." (Zum Schiffchen)
- 31.) "You don't follow tennis?" [Boris Becker was a German!]
- 32.) Big sports fan: Tennis, American Open in the president's box. Doesn't know much about ice hockey. [Sport is a] metaphor for his career. Billy Jean Moffitt / King<sup>13</sup> [once said about the] concentration on the court: "There is only one point, none before and none after." → Like in acting. Learned much by watching sports. His team won last night. Daniels team, too. So both are wearing a smile today.
- 33.) Sycophancy. "...except for the few French and Belgians, who speak variations of that, which [I now realize is kind of rude], but now it's too late to take it back."
- 34.) Jürgen Prochnow speaks good English [but no one would come to see him in London]. "We are so insular."
- 35.) Before he returns - very soon - he will return with more words of German than now.<sup>14</sup> "As you can see, I hate conventions!"
- 36.) "...and a croissant. See, I speak a little French!" ;- ) [He went out alone and didn't fear it] because of his experience yesterday. [He knew that] "Nothing bad would happen to me!" - Elevator: "I speak American, too!"
- 37.) Spare time: Not had much. In two weeks he'll take 4 month off. Loves walking/hiking. Scuba diver (got certified in the last year of TNG, 17 years ago), but he likes to dive in warm water. Buys lots of books. Loves listening

14 Dieser Satz ist irgendwie leicht defekt.

to music, not only orchestral, but contemporary, too. Pop, Jazz, Delta Blues. Met Eddy Clearwater<sup>15</sup> in Chicago (?), Honeyboy Edwards<sup>16</sup> died five days after he was supposed to meet him [which he didn't because he wasn't feeling well].

Sir Patrick has four grand children.

38.) "Buenas dieas! - I speak Spanish, American..."<sup>17</sup>

39.) "What was it like to work with Mel Brooks [on *Men in Tights*]?" His scene got cut in half. Arrived in the make up trailer and started to laugh [and didn't stop until he finished in the evening]. (Tapes of the Recording of the 2000 year old man<sup>18</sup>, [Mel Brooks as the 2000 year old] being interviewed about his life: "Did you know Joan of Arc? - Knew her? I went with her!" [in a Brooklyn accent.]

40.) Picard Manoeuvre: Not in the script. Got the spandex suit thrown out [after season 2]. One size too small. Constant pressure. "If Gene saw that your space suit was crumpled, he'd make you re-shoot!" After it became a thing he did it even when it wasn't necessary.

41.) *Merchant of Venice* in a modern set. Las Vegas style. Likes Shakespeare in a modern setting / world. Brings relaxation to the experience. *Hamlet* with David Tennant<sup>19</sup>. (Publikum jubelt.) Nice to move between the styles.

42.) *Inner Light*: Make-up, very old man, is it depressing you? *Inner Light* was filmed about exactly 20 years ago. Doesn't make him depressed, curious about ageing. "Jane Haymore<sup>20</sup> said: It's time to get your eyes done! They go inside" - turns his lower eyelid inside out - "and \*SCHLURP\*!"

43.) 'The Inner Patrick Stewart'. "Sir... sometimes I think that is nice." International recognition of TNG made him confident about his work, but it didn't change his 'inner self'.

Reopened his school, walked up the drive to his school alone, 60 years exactly since he did it the first time at the age of 11 [to find out how it would feel].

44.) Looking good is his live long curse. [Like] Cassandra: Nobody believes him when he's ill or not well!

"Last question with two exclamation marks!"

45.) *Christmas Carol*<sup>21</sup> one man stage show, great story, "because it demonstrates that it is never too late to change!" *Moby Dick*<sup>22</sup> was experience of a lifetime; the storm was terrifying. [Being] strapped to the whale: Ghastly! Producer [said]: "I'll take care of your family!"

[Asks the fan who she would invite: "You and Garrett!"] - "Me and Garrett?" - "He's cute!" (Garrett comes onto stage.) "She wants to invite you to her dinner party... naked! With Jesus Christ. And the Borg Baby! It will be fun!"
